

MEDICAL STAFFING | HEALTHCARE PROGRAM MANAGEMENT | FAMILY ADVOCACY | SOLDIER READINESS | BEHAVIORAL HEALTH

CAPABILITIES

Choctaw Contracting Services, Inc. (CCS) is an SBA-certified Small Disadvantaged and is wholly owned and operated by the Choctaw Nation of Oklahoma (CNO), which is the third largest Native American Indian Tribe in the United States and is headquartered in Durant, OK.

CCS' management teams implement best practices in healthcare management and workforce staffing solutions for medical, behavioral health, and administrative services. CWS provides licensed and credentialed healthcare professionals to meet all federal and state regulations required to support critical government mission and family readiness programs and has highly skilled personnel with the necessary expertise to successfully manage contracts and employ a variety of labor categories globally. CCS has a Top Secret Facilities Clearance.

CNO companies have an unrivaled reputation through 25+ years of exemplary past performance providing high-quality services and innovative solutions for the Department of Defense (DOD), Department of Health and Human Services (HHS), Department of Homeland Security (DHS), Department of State (DOS), Defense Health Agency (DHA), and Indian Health Services (IHS). CWS is committed to continuing the Choctaw legacy of serving our Nation's military dating back to the Choctaw Code Talkers who were instrumental in changing the course of both World War I and World War II.

CURRENT & PAST PERFORMANCE

CONTRACT/AGENCY

POSITION

W81XWH16C0044 – Women, Infants, & Children (WIC) Overseas, Medical Command US Army Medical Research Acquisition Activity **Prime**

Provided management and staffing for 43 WIC Overseas offices at all Outside the Continental United States (OCONUS) sites that provide resources and support to members of the Armed Forces, civilian employees, and Department of Defense (DoD) contractors living overseas and their family members with WIC Overseas (nutritional and health) benefits. (96 FTEs)

N6264518D5037 - Northeast Navy Medical MATO, Naval Medical Logistics Command **Prime**

Provide professional and ancillary positions across the Northeast region of the United States to ensure the healthcare of our military soldiers and their families are put first while providing excellent Nurse Practitioners, Registered Nurses, and Licensed Practical Nurses to assist in medical needs across multiple clinics. (42 FTEs)

TXS0000012 - Preservation of the Force and Family, USSOCOM **Prime**

Provide Licensed Clinical Social Workers within units throughout all military branches in support of POTFF's mission to build and implement a superior, holistic approach to address the pressure on the Force and the increased stress of military personnel by focusing on increasing the physical, mental, social, and spiritual well-being of military personnel. (47 FTEs)

N6264518D5018 - Navy Southeast Medical, Naval Medical Logistics Command **Subcontractor**

Provided Physicians, Allied Health, Advanced Practice Nurses, Nursing, Technologists, Technicians, and Assistants at Military Treatment Facilities in the Southeastern Region of the United States in support of the Psychological Health and Traumatic Brain Injury Program addressing prevalent injuries among combatants from the global war on terrorism. Through adoption of risk-based staffing models and a uniform, best-practice-standard-of-care across the DoD Military Health System, the program was designed to ensure easy, rapid access to PH and TBI care for all beneficiaries and to ensure that the transition across networks of care recognizes the unique care coordination and case management requirements for PH and TBI patients. (69 FTEs)
