CAPABILITIES

Choctaw Workforce Solutions (CWS) is an SBA-certified Tribal 8(a) and Small Disadvantaged Businesses that provides highly skilled personnel and contract management services globally. Headquartered in Durant, OK, CWS is wholly owned by the Choctaw Nation of Oklahoma (CNO), the third largest Native American Indian Tribe in the United States.

For more than 25 years, CWS and its sister subsidiaries provide comprehensive workforce solutions to critical government contracts focused on active-duty military members, military retirees, contractors, civilians, and their families globally. CWS is specialized in healthcare services, behavioral health, mission readiness, family advocacy programs, administrative support, and technical services. CWS' Program Management Team implements best practices in contract management and is coupled with a robust Human Resource team to recruit, screen, credential, and onboard all labor categories in accordance with federal, state, and industry standards.

CNO companies have an unrivaled reputation through 25+ years of exemplary past performance providing quality services and innovative solutions for the Department of Defense (DOD), Department of Health and Human Services (HHS), Department of Homeland Security (DHS), Department of State (DOS), Defense Health Agency (DHA), and Indian Health Services (IHS). CWS is committed to continuing the Choctaw legacy of serving our Nation's military dating back to the Choctaw Code Talkers who were instrumental in changing the course of both World War I and World War II.

THE CHOCTAW ADVANTAGE

- Innovative and cost-effective solutions that drive program efficiencies for federal customers
- Long-term partnerships with customers and teaming partners with proven past performance on large, complex, multi-site projects and knowledge of unique customer requirements
- Lean organizational structure that ensures rapid response to identified risks that may impact contracts and ensures exceptional performance
- In-house recruiting and credentialing team that successfully attracts and retains personnel in challenging and remote locations
- Provide evidence-based, trauma-informed, and culturally sensitive services
- Deep understanding of 8(a) operations and compliance regulations
- Backed with the full support and resources of the Choctaw Nation of Oklahoma

W9124D22C0028 – Family Service Coordinators, USAREC Fort Knox, KY

Prime

Provide Family Services Coordinators program support to the soldiers, families, and Government Service (GS) civilians assigned to the command who either are assigned to Ft. Knox, KY or are geographically dispersed within the Command's area of operations both CONUS and OCONUS. (3 FTEs)

W9124D21C0022 – Psychology Services, USAREC Fort Knox, KY

Prime

Provide Licensed Clinical Psychologists and Psychology Technicians to provide internal clinical behavioral health, leader support, and training to commanders and Soldiers within the US Army Recruiting Command (USAREC). Provide recruiting, screening, and credentialing process as part of the hiring and management of personnel working on this contract. (7 FTEs)

140D0423R0005 - McAlester Army Ammunition Plant (MCAAP) Global Positioning System (GPS) Fleet Management System, McAlester, OK

Prime

Provides location tracking services of vehicles, driver behavior reports, and vehicle usage and maintenance details. (1 FTE)

CWS SISTER SUBSIDIARY CURRENT & PAST PERFORMANCE

TXS0000012 - Preservation of the Force and Family, USSOCOM

Subcontractor

Provide Licensed Clinical Social Workers within units throughout all military branches in support of POTFF's mission to build and implement a superior, holistic approach to address the pressure on the Force and the increased stress of military personnel by focusing on increasing the physical, mental, social, and spiritual well-being of military personnel. (47 FTEs)

W81XWH16C0044 – Women, Infants, & Children (WIC) Overseas, Medical Command US Army Medical Research Acquisition Activity

Prime

Provided management and staffing for 43 WIC Overseas offices at all Outside the Continental United States (OCONUS) sites that provide resources and support to members of the Armed Forces, civilian employees, and Department of Defense (DoD) contractors living overseas and their family members with WIC nutritional and health benefits. (96 FTEs)

FA805217D0005– Air Force Family Advocacy Program (FAP), Air Force Medical Readiness Agency

Prime

Provided staffing on 21 Air Force bases in the western US. Services focused on prevention and treatment of child abuse/neglect and intimate partner violence along with clinical counseling intervention, therapy, education, and community outreach services. In addition to our Registered Nurses providing intensive home, office, and hospital visits for the New Parent Support Program, we provided classes, groups, and outreach activities to enhance soldier and family readiness. (79 FTEs)

N6264518D5037 - Northeast Navy Medical MATO, Naval Medical Logistics Command

Prime

Provided professional and ancillary positions across the northeast region of the US to ensure the healthcare of our military soldiers and their families were put first while providing excellent Nurse Practitioners, Registered Nurses, and Licensed Practical Nurses to assist in medical needs across multiple clinics. (42 FTEs)

W9124D19C0015 - Directorate of Human Resources Military Personnel Division - Army, Mission and Installation Contracting CMD

Subcontractor

Provided base operations support to the installation with timely, accurate, and essential HR services under the functional proponentcy of the US Army Installation Management Command, (IMCOM) G1, and installation Garrison HR Directorates aligned with the IMCP introduced in April 2010. Fulfilled the Directorate of Human Resources (DHR) Military Personnel Division (MPD) requirement to continuously provide MPD services for the Fort Knox installation to ensure Soldier and Family Readiness aligned with the Installation Management Campaign Plan (IMCP). (52 FTEs)

N62645-18-D-5018 - Navy Southeast Medical, Naval Medical Logistics Command

Prime

Provided Physicians, Allied Health, Advanced Practice Nurses, Nursing, Technologists, Technicians, and Assistants at Military Treatment Facilities in the southeastern region of the US in support of the Psychological Health and Traumatic Brain Injury Program addressing prevalent injuries among combatants from the global war on terrorism. Through adoption of risk-based staffing models and a uniform, best-practice-standard-of-care across the DoD Military Health System, the program was designed to ensure easy, rapid access to PH and TBI care for all beneficiaries and to ensure that the transition across networks of care recognizes the unique care coordination and case management requirements for PH and TBI patients. (69 FTEs)

HHSI246201800032A - Patient-Centered Medical Home Telephone Triage, Oklahoma City Area Indian Health Services

Prime

Provided patient access to same-day or next-day appointment scheduling and clinical advice for urgent health care needs 24 hours a day, 7 days a week (24/7) to all Indian Health Service (IHS) facilities that are governed by the Oklahoma City Area (OCAO) IHS. (7 FTEs)

N62645-17-D-5015 - US Navy Medical Administrative and Programmatic Support Service (MASS), Naval Medical Logistics Command

Prime

Employed 30 medical administrative clerks (Accounting Clerks, General Clerks, Medical Record Clerks, and Medical Record Technicians) for a non-personal services contract to provide services to the Navy MTFs and associated Branch Clinics in the Continental United States (CONUS) with dental-related administrative and programmatic support services supporting military members and their families. Contract included administrative efforts directly and indirectly related to the delivery of healthcare, tasks that involve the direct interface with patients, and tasks that include exposure and access to confidential medical records. (30 FTEs)

W912CN-16-C-0017 - US Army FAP Prevention & Education Services, Expeditionary Contracting Command

Prime

Recruited, retained, and supervised contract staff that provided prevention and education services to more than 65,000 military personnel, family members, DoD civilians, and Reservists. The FAP prevention program components included comprehensive community education and training focused on risk factors for maltreatment and neglect, which included individuals with special needs, experiencing deployment related issues, financial difficulty, adjustment issues on new assignments, social isolation and work, family, and life stress. Provided information and referral services, conducted annual community needs assessment, completed marketing and prevention plan for USAG Hawaii. (4.5 FTEs)

W9124D16C0019 - Directorate of Human Resources Adjutant General, Mission and Installation Contracting CMD

Prime

Provided and managed General Clerks, Personnel Assistants, Section Chiefs, Computer Operators, and Project Management employees, which included 26 subcontractors for a non-personal services contract that provided human resource support to the DHR-MPD. Provided timely and accurate essential military human resources personnel services to customers serviced by the installation to include active and reserve military personnel and their Families, the Civilian workforce, military and government Civilian retirees, and contractors, as well as units geographically separated from their brigade, and to customers and organizations supported through an Interservice Support Agreement (ISSA) or memorandum of agreement. Assisted with workload surges for soldier readiness processing and influxes in service requirements during deployment and redeployment. (57 FTEs)
